Proposal Total Net Price: Buy/Resell

No Commission Included

\$0

Qualifying Notes:

- 1) This quotation includes 1 set of drawing submittals or release drawings and 2 revisions; additional revised sets beyond this will be an extra charge. **Complete redraws will be an added charge and do not count as a "revision".
- 2) PE Calculations: Will be \$2,200 Net if selected and for each subsequent set thereafter it will be an additional \$1,000.00 net add. (S.E. stamped calculations requires an additional fee; please contact Ruskin for details).
- 3) Ruskin louvers are specifically designed and engineered for structural integrity based on 20 PSF windload (*unless otherwise stated*). Sizing and location of structure along with the attachment to the structure is to be determined by the structural engineer of record. **Note any louver split in height could require additional structural supports by others.
- 4) Onsite expectations are required with a purchase order. Actual ship dates for any release will be determined based on factory production schedules.
General guidelines for Engineering lead times can run 1-2 weeks for standard items, non-standard items could run longer.
General guidelines for Shipping: Please allow 8-10 weeks for shipping after engineering release drawings. **Special material orders, large/complex sunshades may have longer lead times.
- 5) Technical or Construction requirements not disclosed at the time of quotation or that have been revised will require a re-quote for additional material and/or engineering. This quotation is only valid for the models, sizes, quantities and releases specified.
- 6) All orders that are cancelled after Ruskin has prepared drawings will be subjected to a cancellation charge for engineering time.
- 7) If the color is determined to be "exotic" (i.e., a color that we cannot match due to its complexity or a color that needs to be metallic), please note that there will be an additional charge.
- 8) Due to the extrusion/manufacturing process "Mill" finish has been prone to show imperfections, which may include discolorations, scratches, blemishes, etc... These imperfections are typical when ordering mill finish product(s) and therefore Ruskin will not provide a finish warranty.

Exclusions:

All support steel structure/framing, installation, backer rods, sealant, shims, anchors/fasteners, inserts, trim/flashings, field measurements, bituminous paint, exotic and metallic finishes, stainless steel fasteners, union label, color samples, mockup, notching, special installation angles, or other special considerations are not included unless specifically stated in this proposal.

ALL SALES OF GOODS AND RELATED SERVICES DESCRIBED ABOVE ARE CONDITIONED UPON, AND SUBJECT EXCLUSIVELY TO, THE TERMS AND CONDITIONS OF SALE OF RUSKIN COMPANY FOUND AT [HTTPS://WWW.RUSKIN.COM/SALESPOLICY](https://www.ruskin.com/salespolicy) ("TERMS OF SALES"). ANY CONFLICTING OR ADDITIONAL TERMS FOUND ON BUYER'S PURCHASE ORDER OR OTHER DOCUMENTS, REGARDLESS OF WHEN PRESENTED TO RUSKIN COMPANY, ARE HEREBY EXPRESSLY REJECTED.

Prices exclude taxes, fees, duties, and levies unless specifically stated in the body of the proposal. All prices shown are valid and subject to (i) the Terms of Sales and (ii) the receipt of an unconditional acceptable order releasing material for immediate fabrication and shipment before the proposal's Expiration Date. After the Expiration Date (and unless extended by specific written amendment or by selecting ☒ below), Ruskin Company assumes no obligation to furnish any materials or services at any price.

☐ If the Expiration Date is extended, prices listed above will be increased _____ % per month, starting from the Expiration Date listed above until 3/31/2022. After expiration of the extension, this proposal definitively expires with no obligation for Ruskin Company to furnish any products or services at any price afterward.

Shipping date: Factory production schedules and material availability will determine the estimated shipping date of any release for the ordered product. All shipments are made FOB Origin and (unless otherwise indicated by ☒ below) full freight allowed to any point in the contiguous United States. Inland freight does not include pier delivery, wharfage, and transshipment.
